

# SUNFLOWER IH SHOW

## Vehicle Class Descriptions

These descriptions have been provided to allow each show participant to select which category to enter his/her vehicle into.

### Show Restored

Vehicles that have been restored primarily for show competition. May be restored by the owner or professional. May be stock or modified. There are no limitations to the extent of modification. Vehicles do not have to be intended for daily operation, but they must move under their own power.

### Restored

Vehicles that have received basic restoration. May be restored by the owner or professional. May be stock or modified. There are no limitations to the extent of modification. Must be driven periodically (does not have to be daily).

### Stock

Vehicles that are in primarily original condition / appearance. Maintenance / wear parts may be replaced. Addition of aftermarket accessories is permitted. Must have factory available drivetrain, suspension, and body. Damage repair or minor rust repair of body is permitted, extensive renovation is not. Must be routinely driven (does not have to be daily).

### Modified

Vehicles that have been modified from factory configuration. May be restored by the owner or professional. There are no limitations to the extent of modification. Damage repair or minor rust repair of body is permitted, extensive renovation is not. Must be routinely driven (does not have to be daily).

### Special classes

**Street Rod** - Any IH model or year

**Off-road / Grocery Getter** - Minimum 31" tires. Should have some body, engine, suspension, drivetrain modifications to improve off-road performance. Must be road worthy. Tag required.

**On & Off road (wife will still ride in it)** - Minimum 33" tires, Must have at least one locker. Should have some body, engine, suspension, and drivetrain modifications to improve off-road performance. Must be road worthy. Tag required.

**Jeep Eaters / Extreme Off-road** - Minimum 35" tires. Must have at least two lockers. Modifications - ANYTHING GOES. Must have at least an IH powertrain or body.

Best of Show - Will be determined by participant voting.

The Sunflower IH Show Planning Committee reserves the right to re-classify any vehicle that they feel has been placed in the wrong category.
